bonaventure was a great pastor and preacher and also a very effective teacher his

writing shows clarity and conviction and his authority arose from his profound grasp of scripture and patristic monastic tradition the force behind how he wrote sprang from his keen sense of the significance of francis and clare and all that flowed from them not least into his own spiritual life and experience as a person of deep contemplative and mystical prayer way back to god is a comprehensive conspectus and study of how bonaventure taught christian theology and applied it to spiritual life it is intended to be a guide through most of his writings though not as a substitute for reading them it provides a bridge into his thought and also a remarkable hand book of christian theology in its bearing upon spiritual life douglas dales new work enables bonaventure s distinctive spiritual theology to be seen as a whole as well as making his writings in latin or english accessible and attractive

the human transformation available at the limen literally the edge or threshold noticed across different cultures by anthropologists is at the heart of the gospel indeed the liminal place is the place of transformation and change par excellence we live in age of enormous and rapid change to which we do not yet see an end there is therefore a kairos moment here for the church to understand the importance of liminality through this unique book reading this book will offer new lenses to understand humanity god s world the shape of christian discipleship the church and its mission differently the authors believe engaging with liminality can help both readers faith and the church to be re imagined and have included case studies exercises and questions in each chapter to help this process
