it s never too late whether you re a new christian or you ve walked the road for decades it s never too late to find the critical truths that make life make sense we often start out believing that common sense will be enough that we re prepared for the road ahead with our good values and quick thinking it doesn t take long to learn otherwise a broken friendship an obsessive career financial distress even empty success we come back to god searching for insight for hope and he provides nothing can replace studying the bible best selling author and pastor charles swindoll has spent decades studying its pages and teaching its precepts but if sixty six books seem overwhelming the owner s manual for christians is the perfect starting place a biblical summary of the major truths that anchor the christian life from grace to freedom these chapters walk the reader through the keys to a life well lived drawn from the creator of life itself life is often confusing but it does not have to be impossible read the

owner s manual for christians and find hope for the road ahead

in 2016 americans fed up with the political process vented that frustration with their votes republicans nominated for president a wealthy businessman and former reality show host best known on the campaign trail for his sharp rhetoric against immigration and foreign trade democrats nearly selected a self described socialist who ran on a populist platform against the influence of big money in politics while it is not surprising that americans would channel their frustrations into votes for contenders who pledge to end business as usual the truth is that we don t have to pin our hopes for greater participation on any one candidate all of us have a say if we learn master and practice the skills of effective citizenship one of the biggest roadblocks to participation in democracy is the perception that privileged citizens and special interests command the levers of power and that everyday americans can t fight city hall that perception is undoubtedly why a 2015 pew charitable trusts survey found that 74 percent of those americans surveyed believed that most elected officials didn t care what people like them thought graham and hand intend to change that conventional wisdom by showing citizens how to flex their citizenship muscles they describe effective citizenship skills and provide tips from civic experts even more importantly they offer numerous examples of everyday americans who have used their skills to make democracy respond the reader will see themselves in these examples of citizens who chose to be victorious participants rather than tranquil spectators in the arena of democracy by the end of the book you will have new confidence that citizen participation is the lifeblood of america and will be ready to make governments work for you not the other way around

drawing from jungian psychology and popular culture this detailed guide to personality types will help you develop a deeper more meaningful sense of your truest self for jung knowing your type was essential to understanding yourself a way to measure personal growth and change but his ideas have been applied largely in the areas of career and marital counseling so type has come to seem predictive a way to determine your job skills and social abilities this book reclaims type as a way to talk about people s inner potential and the choices they make in order to honor it using everyday examples from popular culture films star trek soap operas comic strips it describes the sixteen basic ways people come to terms with their gifts and values in this book you will find tools to understand how your personality takes shape how your type reflects not only your current priorities but your hidden potential how unlived possibilities are trying to get your attention how relationships at home and at work can help you to tap your unrealized gifts

as every parent knows infant technology isn t quite user friendly and first timers have plenty of frequently asked questions how does one get the baby to sleep through the night what is the recommended way to swaddle a baby when is it necessary to bring a baby to a physician for servicing the baby owner s manual has the answers with step by step instructions helpful schematic diagrams trouble shooting tips and advice on lifelong maintenance this manual skips the warm and fuzzy illustrations and cuts right to the dirty diapers
